HOW TO SET THE "TREND OF SETTING A TREND"

Apr 24, 2014

The dawn of social media in the PH set a different standard of how projects, campaigns, and even personalities become a success. Physical attendance or participation is not all there is anymore when we thought that is already enough and power. The rise of "digital presence" is unstoppable. You can't find a friend, even at [...]

Featured Chef

Chef Jean Yves Leuranguer

Since 2006, Chef Jean-Yves Leuranguer has been the Executive Chef of the legendary Hotel Fouquet's Barrière, overseeing the kitchens of not only Fouquet's restaurant, but also gourmet dining establishments Galerie Joy and the Michelin-starred Le Diane.

Chef Leuranguer's first foray into the kitchen was at the tender age of six, when he started baking bread and brought it to school with pleasant surprises. Under the tutelage and guidance of his father, who was a cook in merchant marine, Chef Jean-Yves was inspired by his father's attention to minute details and dexterity, and yearned to be just like him! In fact, it was the annual Saint-Brieuc fair, which cemented Chef Leuranguer's calling as a chef, and he subsequently enrolled into vocation school to learn more about the trade. Following internships and distinguished working stints at several top-notch hotels, Chef Leuranguer finally jumped at the chance to become the second in command of the Sofitel Oceania kitchens in Brest, France.
